

Where Women Strive and Thrive

Pillsbury is proud to be a proving ground for accomplished women lawyers. We were one of the first major law firms to promote a woman to partnership, and were the first large, national law firm to elect a woman as its top leader. These progressive decisions have yielded generations of women leaders and stakeholders including the women who are proving themselves today.

A Record of Accomplishment

Working Mother magazine's **100 Best Companies** list every year since 2006 and the first law firm to crack the Top 10 in 2008.

A **Top 50 Law Firm** for Women in the *Flex-Time Lawyers / Working Mother* list.

Human Rights Campaign Equality Index **100% score** every year since 2006.

Top 25 for diversity in *Vault's* associate survey and recognized as a **Best Law Firm** for women, minorities and attorneys with disabilities.

Top 50 Companies for Executive Women six years running, *National Association for Female Executives*.

2017 Law Firm of the Year *Chambers Women in Law* in the category of *Futuring Women's Careers*.

2017 United Way of the Bay Area Paul Glad Advancement Award for "going above and beyond to foster diversity and women's leadership in the workplace."
